My attitudes have changed, but somebody would have to read all my books to find out how they have.	Dofollow
Mindset – the difference between a successful person and someone that is not – the person with a positive mindset will always have a good day.	Dofollow
Happiness is an attitude of mind, born of the simple determination to be happy under all outward circumstances.	Dofollow
A positive attitude causes a chain reaction of positive thoughts, events and outcomes. It is a catalyst and it sparks extraordinary results.	Dofollow
There is little difference in people, but that little difference makes a big difference. The little difference is attitude. The big difference is whether it is positive or negative.	Dofollow
It is our attitude at the beginning of a difficult undertaking that, more than anything else, will determine its successful outcome.	Dofollow
The meaning of things lies not in the things themselves, but in our attitude towards them.	Dofollow
I have learned to be proud of who I am irrespective of my performance, though it matters, I cannot do beyond my best.	Dofollow
The only thing that matters in life is what you feel. You can be a king or a pauper, but if you feel good, you're a king.	Dofollow
The lion and bear may be stronger but the wolf doesn't perform in the circus.	Dofollow
Have goals so big you get uncomfortable telling small-minded people.	Dofollow
If you don't think you are somebody, you will do things like everybody.	Dofollow
Let people think what they want to think about you. It's none of your business anyway.	Dofollow
Don't flirt with me because if I flirt back you will fall in love alone.	Dofollow
The entire world is filled with superheroes. You just need to find them.	Dofollow
Every person who has mastered a profession is a skeptic concerning it.	Dofollow
