<H3> Dear Ranjan, Thank you so much for the work you put into our site. Big thanks to Kunjan, Saphal and others too! A small token of appreciation from us for this cold weather! hope to see you down at Tiger Tops soon. </H3>

<H3> Curves n Colors has been our design partner since the very beginning of our journey and with time our partnership has only strengthened. Love working with the team there and always look forward to many more collaborations.

</H3>

<H3> Ranjan and his team are very responsive and nothing seems to be a problem. They have designed a website,

book, postcards, business cards and stationery for me and I get wonderful feedback from people. </H3>

<H3> As a startup our experience with Curves n Colors has been very positive and dynamic. Their whole team, especially our web developer Saphal Joshi, have been so receptive to our ideas and they have been easily contactable and available when needed. We look forward to continuing to work with them in our creative partnership </H3>
