Q

What is Social Bookmarking?

In the world of digital marketing, Social Bookmarking has become the new norm. The internet plays home to tons of social bookmarking sites. This has come as a boon for ambitious businesses as they can use them for effective organic growth.

So how do websites actually use social bookmarking in their favor? Firstly, all they have to do is bookmark their web pages on top dofollow bookmarking sites for revisiting later. The process creates a good network of backlinks that helps a page's performance. This is especially true if you use a high DA social bookmarking sites list.
