## Talk to strangers!

You don't need an app to use Omegle on your phone or tablet. It's great on mobile.

Meet strangers with your interests!

Omegle (*oh-meg-ull*) is a great way to meet new friends, even while practicing social distancing. When you use Omegle, you are paired randomly with another person to talk one-on-one. If you prefer, you can add your interests and you'll be randomly paired with someone who selected some of the same interests.
