Lacey 3 Review Rip Wheeler Jacket I ordered Jacket for my husband, for Christmas. I paid extra to upgrade to suede leather and asked for it without the "Y". It is a quality made jacket and just like advertised. I also paid extra for holiday shipping.....	Dofollow
Timothy Nugent 4 Review William Jacket helped get correct size I ordered the XL size suede leather bomber jacket, and it is wonderful! I liked it very much. But, the XL size was a bit too small for me, since it fit me rather tightly and was difficult to use the front zipper....	Dofollow
michael mcmorris 1 Review Great customer service Great customer response in a timely manner to answer all my questions and concerns. Promptly and fairly dealt with my issues.	Dofollow
